Dear Internet Marketer Friends,

Without a proper headline, your ads will have very little success!

It's true - think about it.

"...75% of the buying decisions are made at the headline alone."

John Caples, quote from his book Tested Advertising Methods

"On the average, 5 times as many people read the headlines as read the body copy. It follows that, unless your headline sells your product, you have wasted 90% of your money."

David Ogilvy, world famous advertising executive, author of the most influential books on advertising Confessions of an Advertising Man, and Ogilvy on Advertising

I cannot stress the importance of a **great headline** enough. You must remember...it is the first thing that the reader sees.

You have at most **10 seconds** to convince the reader to read your ads offer, and that is not much time.

Let me tell you what a good headline must be.

Think of the headline as a person. But this is no ordinary person...

...this is the most **arrogant** and **confident** person that you can imagine! This person is so sure of himself that it shocks you and makes you wonder if he "Is for real."

This person IS the perfect headline!

If your headline is poor, what kind of person do you see? I see a **weak person**, someone who is unsure of himself and is lacking in **confidence**. Someone that uses words like "might, some, and last year."

Now look at the headlines that I used as examples...

- * **Dump Your Bad Habits!!**
- * **The NEW Focus For Today's Entrepreneurs!**
- * **Remember That Feeling?**
- * **Get Into The Ring! WORLD CLASS Training!**
- * **Scared To Start?**
- * **Are You JUST Another Pea in a Pod?**
- * **What Went Wrong?**
- * **Hey..What's My FUTURE Doing Here?**
- * **Can't Find Your Way?**

Do you see the difference?

I hope so because there is a huge one! When I look at the above headlines, I see a man that is sure of what he is saying...almost daring you to prove him wrong.

This **personality** is the one that you need in your headlines, and this personality will make sure your ads is READ.
